

## Call for Papers for:

### **CEAS 2013 Air&Space Conference** ***“Innovative Europe”***

The Council of European Aerospace Societies (CEAS) Air and Space Conference is the leading European Conference within aerospace. The CEAS 2013 Conference will be held in Linköping in Sweden. Linköping is considered the aeronautics capital of Sweden, home of the most important Swedish aviation industry, and the birthplace of Swedish aviation. CEAS 2013 will be a joint event between the fourth CEAS conference and the eighth congress on aeronautics arranged each third year by Flygtekniska Föreningen, FTF (Swedish Aeronautics and Astronautics Society). The conference is organised by the FTF in collaboration with Linköping University.

The theme of the conference is *Innovative Europe*, to underline the importance of European development of technologies and capabilities to handle this challenge of European independence.

The CEAS 2013 conference is aimed as a forum for exchanging information in the wide field of aerospace. The Conference would also constitute a unique forum and meeting place for socialising and networking among colleagues and friends both from aerospace industry, academia and organizations.

Authors are invited to submit extended 3 page abstracts for full CEAS papers, or one page abstract for oral only presentation, before February 15, 2013. To make a submission for the conference, please go to our website [www.ceas2013.org](http://www.ceas2013.org)

Petter Krus,  
Chairman of programme committee  
Professor in Fluid and Mechatronic Systems,  
Linköping University

Roland Karlsson  
Chairman of the organizing committee  
Chairman of the Swedish Society of  
Aeronautics and Astronautics
